## Advantages of the FPB-1500:

- Takes up minimal floor space - can load outside & bring mat'l in for free!
- "FREE" Holes
- ONE man can load, process & unload finished parts continuously (on a conventional burn table the average actual processing (burn) time is only 30% - the other time is spent loading, unloading, cleaning, removing skeleton, etc)
- With the FPB the value added work is done 90% OF THE TIME!
- The Roller Feed system allows for common cutline so multiple parts can be cut in a single pass, minimizing scrap waste
